Technical drawing of a floor plan for a rectangular building. The plan is divided into a grid system with columns labeled A through G and rows labeled 1 through 3. The overall dimensions are 35.80 units wide and 13.950 units high. The drawing shows a central corridor and two large rooms on either side. The rooms are filled with diagonal hatching. The drawing includes architectural details such as doors, windows, and furniture like desks and chairs. The drawing is a technical drawing and should be interpreted as such.

PLANTA CUBIERTA.
